***PRICE REVISIONS ON PROPANE GAS (LP) ONLY**

Contract bid prices are firm except that price revisions will be permitted on a weekly basis in accordance with the following procedure:

Separate revisions (Increases or Decreases) to the original contract price shall be based on prices in the Oil Price Daily and OPIS Publication under the heading Propane-Selkirk, NY

Town of Huntington Purchasing will compute any price revisions by determining the difference between the Posted Price on June 8, 2015 (59.5000 cents per gallon.) (see attached sheet) and the Posted Price on the Monday of the week the delivery is made to the Town of Huntington.

The differential between the two (2) prices will be added or subtracted to the base bid price yielding the new weekly price. Applicable price changes will be effective each Monday. The term Posted Date or Posted Price as used throughout the award and specification, refer to the actual date day the prices are posted.
